UPDATE: A young quadriplegic man, who also has cerebral palsy, was found alive in the woods of Cobbs Creek - with only a blanket and a Bible. Police say the victim's mother laid him on the ground and abandoned him to go visit her boyfriend in Maryland.

Police say the victim had been there for days: <http://6abc.cm/1yfSCES>

**Mike Trautz** Id say I cant wait, but we all know the press will spin it and turn it into a shit show for him.... I dont want anything to ruin it for him. Success is the ultimate revenge

1y

**Shaw Bjerring** Right!! If someone swings a bag of rocks at your head, they are trying to kill you. That's plenty of justification to shoot

1y

**Rocky Balbowa** Can't wait!!!

There not domestic they are foreign

1y

Not soon enough I hope it starts a precedence and we take our country back.

1y

Hopefully by tomorrow would be nice

I just hope someone comes at him with a knife and he shoots center mass so there is no discussion. Well atleast no legitimate argument

1y

Well, here in Florida it would be pretty darn quick

1y

Let's hope they are a good shot. Lots of k 5s.
